

I came to Arun Sir in my last
 1 & final attempt.

ethics was new for me & initially
 this approach was counter intuitive
 to me.

2 But gradually I could see logic in
 it.

3 Trying a consistent stand, maintain
 cool & calm, & elaborate your thought
 process in the answers are my
 takeaways from him & I hope that
 2 this helped me a lot in getting
 good marks & securing rank 18
 3 in UPSC.

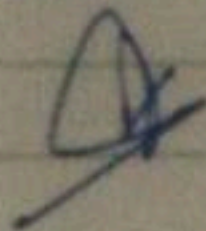

4 I thank Arun Sir for his guidance,
 motivation, replying to my messages
 on whatsapp & evaluating answers
 with a "brutal" feedback.

5

Wishing his success in all endeavors.
